

# How do I disable the free space check

*In the configuration file `./bash-backuper-package/src/1.3/main.conf`, set the value `0` of the parameter `'MIN_FREE_SPACE'`*

```
...  
# MINIMUM FREE STORAGE SPACE (MB or GB)  
# or set '0', if you haven't limit  
export readonly MIN_FREE_SPACE='0';  
...
```
